

Let us sing

Months in a Year

C5U8FG

Twelve months in a year
Let's learn it my dear
The year starts with January
And ends with December.

Now let's say them one by one

January, February, March,
April, May, June,
July, August, September,
October, November and
December.

Isn't it easy to remember?

Note to the teacher: Encourage children to listen and sing the song with the teacher. Explore the event in the pictures and make the children relate it with each month.
