Rhyme Time

Right and Left

Let us sing this rhyme.

You put your right hand in

You put your right hand out

You put your right hand in

And you shake it all about

You do the Hai hai and

you turn yourself around

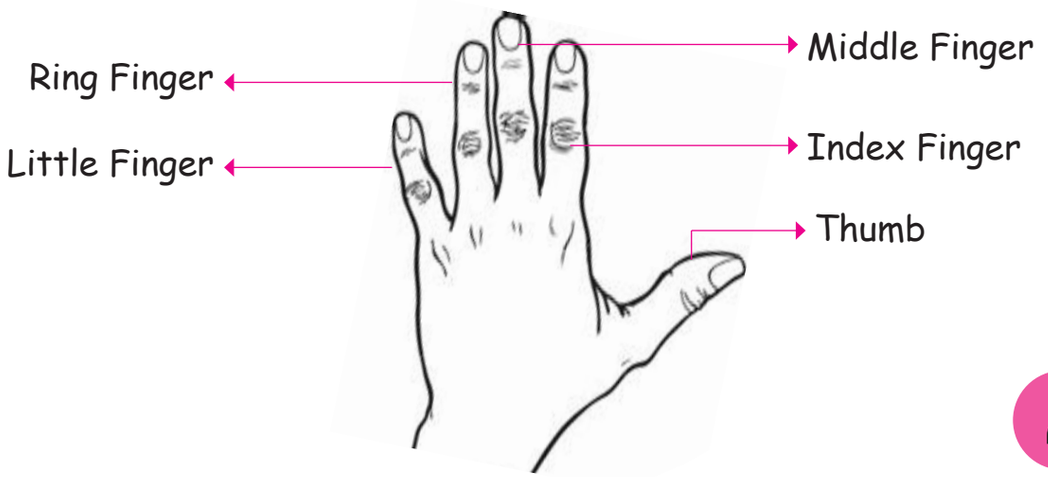

That's what it's all about!

Similarly do the actions with the left hand, right foot, left foot, head and then with your whole body.

Each finger of your hand has a name. Do you know the names?

◊ Colour the pictures on the right side **red** and the left side **blue**.
