Story of Cloth

Early man used clothes made of leaves and animal skin.

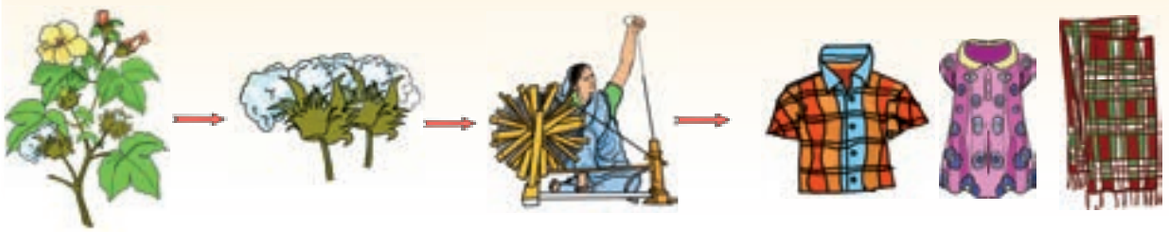

Leaves as clothes

Animal skin as clothes

The clothes we wear nowadays are made of different materials like cotton, wool and silk.

We get **cotton** from the **cotton plant**, from which we make **cotton clothes.**

We get **wool** from **sheep**, from which we make **woollen clothes.**

We get **silk** from the **silkworm**, from which we make **silk clothes.**
