Unit 1 – My Garden

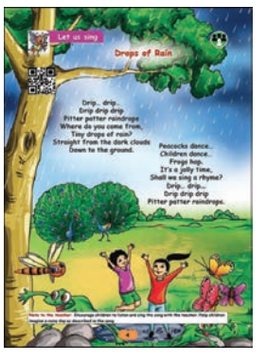

- Children love flowers and birds.
- The comic strip (The Cactus) helps children explore and talk about various flowers they see and know about their unique features.
- The poem (Little Birdie) helps children talk about birds.
- The rebus story (A Get-together) helps children read the story with words and pictures.
- The teacher needs to encourage children to treat birds and animals with kindness.

Unit 2 – Time and Calendar

- Children are curious about the concept of time. It is important for them to know the days and months of a year.
- The journal (Harini's Happy Week) helps children to associate interesting events with days of the week.
- The poem (Months in a Year) helps children know the name of the months in a year.
- The rebus story (A Day at Home) helps children read the story with the words and pictures familiar to them.
- The teacher needs to encourage children to follow a daily routine.

Unit – 3 Rain... Rain... Rain...

- Children love to play in the rain.
- Various water bodies are described through the comic strip (From the sky to the sea).
- The poem (Drops of Rain) helps children imagine a rainy day.
- The rebus story (A Rainy Day) helps children read the story with the words and pictures familiar to them.
- The teacher needs to encourage children to follow various ways to save water.

Learning Outcomes

Self assessment

- It is a moment of pride for children as they colour the apples in the tree.
- This self-assessment tool helps boost their self confidence.
- It is also a diagnostic page for the teachers to ensure that each student has attained the expected learning outcomes in each unit.

How to use QR Code in the textbooks

- Download the QR code scanner from Google Play store/Apple App Store into your smart phone.
- Open the QR scanner application.
- Once the scanner button in the application is clicked, the camera opens. Bring it closer to the QR code in the textbook.
- Once the camera detects the QR code, a URL appears on the screen. Click the URL and it will take you to the relevant page.
