Pleasure time

Fill in the circle by (+) or (−)

3	+	2	=	5		3	◯	3	=	6	
4	◯	2	=	2		9	◯	2	=	7	
8	◯	3	=	5		2	◯	6	=	8	

Try this

I am more than 5 and less than 8. I am not 7. Who am I ?

Activity

Aim: Creating subtraction stories.
Things needed: Flash card with subtraction facts like

5 – 2 | 4 – 1 | 7 – 3 | 9 – 4

Procedure:

1. Divide the class into two groups.
2. Let the students from one group pick up the card from the deck and show it to the other group.
3. Students from that group have to make a subtraction story for that card.
4. This activity can be interchanged between the groups and continued.

Teacher's note

Teacher can encourage the children to tell stories on addition and subtraction on their own. This encourages mathematical communication in the classroom.
