Game

Change, change, exchange

Materials required: Toy coins and currencies.
Flash cards with money values.

Procedure:

- Divide the class into two groups.
- Provide flash cards to one group and toy coins and currencies to other group.
- Let the first group show a flash card randomly.
- The second group has to show its equivalent value of money in terms of coins or currencies or combination of both.
- Teacher has to facilitate the children till the enrichment of the concept.
- The groups may be interchanged with the materials and continue the same.
